4884/28

SIR,

With the object of ensuring better service from and greater contentment among their inferior establishment, the Municipal Commission at their ordinary meeting held on the 31st August 1928, resolved that that establishment be brought on to a permanent footing from the 1st August 1928 and that those who retire on and after that date be granted pensions or gratuities according to the rules in the Civil Service Regulations. The appointments which are to be deemed as falling under the category of inferior establishment for the purposes of the Municipal Commission's resolution have been enumerated in it - vide copy of resolution No.5 dated the 31st August 1928 enclosed. The above resolution would so far as I can calculate involve an expenditure of something under Rs.2,000/- annually from the year 1952, by which time the full effect of the scheme would be felt. The above figure has been arrived at by assuming that every menial lives to the age of 60 and no more. There are about 160 menials employed at present by the Municipal Commission. On a rough calculation about 30 of them may be in the pension list in 1952 and the cost during that year will be Rs.30 x 6 x 12 or Rs.2,160/- or say Rs.2000/- in round figures. This figure is probably well in excess of what the actual cost will be, as it does not allow for casualties or for the fact that oldish men with Military service are sometimes employed. The system of granting

P.T.O.

pensions is in force in the Corporation of Madras. There are 391 permanent peons in their service, who are eligible for pension and 17 temporary peons and 54 tapal peons, who are not eligible for pension. In the circumstances, I request that the Hon'ble the Resident may be pleased to confirm the Commission's resolution.

I have the honour to be,
Sir,
Your most obedient servant,

President, M. C.

To

The Secretary to the Hon'ble
the Resident in Mysore, BANGALORE.

Sir,

With reference to your Endt. No.9184, dated 29-9-1928, I have the honour to offer the following remarks:-

(1) The President's remarks show that the past continuous service of the men confirmed with effect from 1-8-1928 is to be ignored for purposes of pension. But under art.370, Civil Service Regulations, the temporary service of the menials prior to 1-8-1928 will count for pension, and therefore the pensionary charges may have to be faced immediately if any menial retires.

(2) The cost per head per month will be Rs.6/- per mensem (Rs.4/- as per C.S.R. Art.481(b)(4), and a temporary increase of Rs.2/- per mensem sanctioned by the Government of India at present to end of 31-10-29), if the inferior servant had put in 30 years' service in the Commission.

(3) For lesser periods of service, gratuity ranging from 3 months' to 6 months' pay would be payable under C.S.R.481(a).

(4) There is no objection to the Hon'ble the Resident confirming the resolution of the Commission.

I have the honour to be,
Sir,
Your most obedient Servant

With reference to your memorandum No.10179/484-1928 dated the 31st October 1928, forwarding a copy of letter No.Ref. P.Pen.4173 dated the 18th October 1928, I have the honour to state that the object of the Municipal Commission in fixing 1st August 1928, as the date from which their inferior establishment should be brought to a permanent footing, was to preclude from its operation those who retired before that date. The resolution is quite clear that those who retire on and after the 1st August 1928 will count their past services also towards pensions or gratuities. It is not clear how the Pay and Accounts Officer has gathered that the past continuous service of the men confirmed with effect from the 1st August 1928 is to be ignored for purposes of pension. I agree with the other remarks of the Pay and Accounts Officer.
